D. L. McCarragher

This small book is a powerful tool for any woman who is married to a man who does not share her passion for Jesus. It will encourage and challenge the reader to embrace God's promises for their spouse and future together. In this book you will:

- Discover how to believe with radical faith for your spouse's salvation,
- Learn the secret to "staying the course" while you wait for your promise,
- Find out why many women don't share their "secret sorrow," and
- Join others in the knowledge that God has a perfect plan for unity for you and your spouse.

The author applies Scripture and practical action in this must-have book. She candidly portrays her quest over time to reach her husband for Christ.

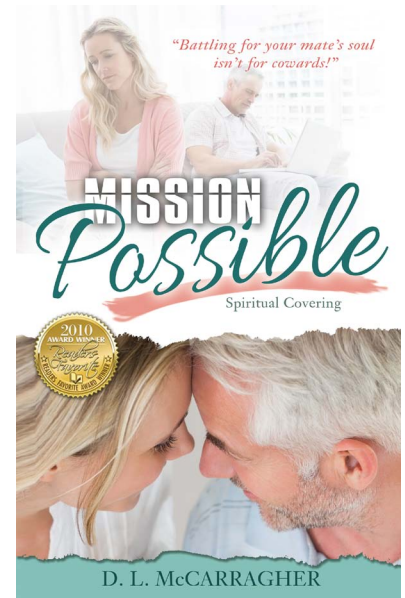

**"If your husband is unsaved, take heart. Deborah has expounded scriptures to encourage women to believe God with a 'radical' faith for the salvation of their spouse."  
—Scott Yirka, Pastor, Hibernia Baptist**
